

Covid-19 virus precautions at Skanderborg Park

At Skanderborg Park we follow the guidelines set by the Danish Health Authorities

- We smile and greet our guests but without handshakes or hugs
- All employees are as always highly focused on maintaining a good hygiene
- Members of staff showing any symptoms of illness are requested to stay at home
- Door handles and stair railings are disinfected twice a day
- Restrooms are cleaned and disinfected several times a day
- Guests in restaurant and conference rooms are seated according to applicable regulations
- We offer lunch service in your conference room, or alternatively outdoors
- Hand sanitizer is available throughout the premises
- “Stop the spread” pictograms from the Danish Health Authorities will guide you during your stay
- Our cleaning staff wear disposable gloves and change between each new task
- We ensure good ventilation all day and air the premises frequently
- Technical equipment such as keyboards, computers and microphones are disinfected after use
- “Keep your distance lines” guide you at the reception and at the coffee stations
- Each conference will have separate coffee/tea thermos jugs.
- Ice water for conference guests is served in the conference room.
- Before each new serving all thermos jugs and water carafes are disinfected

We look forward to welcoming you at Skanderborg Park
